Terra dei Gessi

BIANCO RAVENNA IGP

“ Terra dei Gessi Bianco is made from a blend of Manzoni Bianco, Chardonnay and Albana, high-impact grapes that find a precise identity in Casola Valsenio, at an altitude of 450 metres. The vines grow in the soils of the Vena del Gesso of Romagna, rich in sandstone and gypsum, which guarantee the health and aromatic development of a wine characterised by intense aromatic notes and a crisp, savoury balance. ”

Technical information:

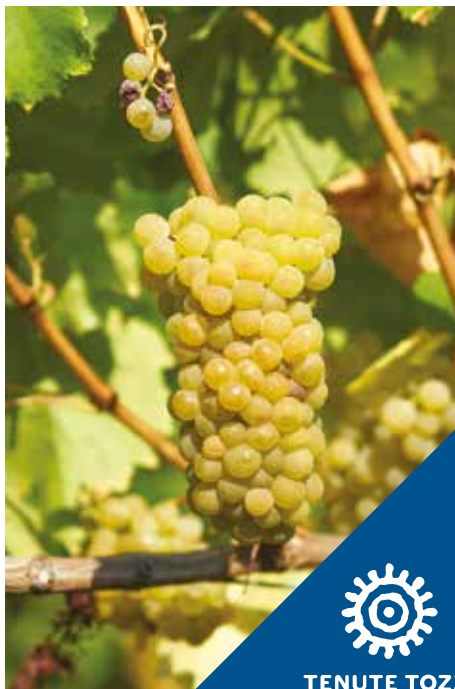

- White Manzoni, Chardonnay, Albana
- Production area - Casola Valsenio, Parco Regionale della Vena del Gesso Romagnola (RA)
- Vineyard Altitude - 450 m above sea level
- North-East
- Soil type - Loam
- Vine training system - Single Guyot
- Manual harvest
- Temperature-controlled fermentation in steel and ageing on lees for 6 months before bottling, followed by 2 months of bottle ageing
- 13.50% ABV
